MENU

Quite simply, we're a family-run institution born & bred from our parent company, Brakspear, which came to life all the way back in 1779.

We're not a chain. All of our houses sit as they should, nestled in the towns & villages that surround them, each with their own personality, yet with similar traits that run in the family. Here at Honeycomb Houses we are more than a collection of pubs & inns; we are a family with people at its heart.

OUR PHILOSOPHY IS SIMPLE.
IT'S OUR HOUSE, YOUR HOME...

We treat our colleagues like family, guests as friends & pubs like homes.
